

Traffic Violator School Provider List
(aka: TVS List or traffic school list)

As of September 1, 2011, in compliance with California Vehicle Code Section 11205, the Department of Motor Vehicle has been providing a list of licensed course providers from our website. This list is randomized upon each inquiry made by the user, and provides users with the ability to customize their inquiry. The online site allows users to select a course provider by training modality or by classroom location within a requested county, city, zip code, or in an alternative language.

Important Notice:

California Traffic Courts may continue to accept evidence of Traffic Violator Course completion from previously approved court programs, under certain conditions, until December 31, 2012. The Department updates the online license information system (OLIS) on a daily basis; and will update the system as licenses are issued to home study or internet providers.
